**Bill Adams adjusts them for rock...**

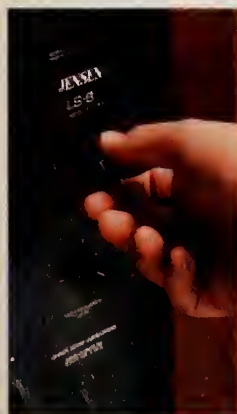

**Cynthia Kelly adjusts them for classical...**

**Darrell and Marcia Morgan adjust them for jazz...**

**and Heather Dodge and Bob O'Connell adjust them for however they feel at the moment.**

No two people are alike. And neither is their music. Some people revel in rock. And some find contentment with classical. While others jam to jazz. And then there are those who don't know themselves what they'll be listening to next.

The common denominator is the Jensen Lifestyle Speaker System. The uncommonly accurate speakers. Four of which feature easily accessible tone controls up front behind the

grille. These controls let you customize the sound of your Lifestyle Speaker Systems to fit your music... your room... or your mood.

All down the line, Lifestyle Speaker Systems offer outstanding quality and features

for excellent sound reproduction. Study the specs. Note the fullness of lows, highs, and midrange. Adjust the level controls. Appreciate their subtleties... and see for yourself how easy it is to adjust to good music.

# Some People Are Searching for a Group Like Ours...

**THE PAULISTS**

Today people experiment with their lives—sometimes they find something valuable; sometimes they just waste time.

Some people have trouble finding what they want because they have a very special set of needs. ... They want to give their lives for the greatest cause they can think of. They are involved with God, with other people, with life. Money, prestige, or power mean little to them. They know they want to live for God by spreading the Gospel of Jesus Christ.

But they are searching for fresh and vibrant ways to proclaim this Gospel. They are looking for a variety of opportunities in different parts of the country to serve with a group of men who share a holy vision and live that vision in a free and friendly way.

They are looking for THE PAULISTS, a group of Catholic priests spread through the United States and Canada, working in a wide range of ministries that include parishes, campus centers, mass communications, publication, preaching, adult education centers, social services, and new approaches to inviting people to know Jesus Christ.

If you are searching to share what we do, why not write THE PAULISTS for more information.

## ADMISSION PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after December 1, 1977 cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to December 1, 1977. Anyone failing to do so cannot be assured of being considered for admission.

### New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Room 165, Administration Building, or by telephoning 454-2393.

### Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from the Records Office, Room 165, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students and must be properly admitted to graduate school as new students.

**Graduate students who have not attended Memphis State in the past 5 years or longer must apply for readmission at least 3 days prior to Graduate Registration in order to complete registration on time.**

### Transferring Credit to MSU

In order for completed additional course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

### Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

### Persons Over 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons sixty (60) years of age or older, who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to

AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons sixty-five (65) years of age or older, who are domiciled in Tennessee, may enroll for courses for credit at the cost of \$9 per semester hour, not to exceed \$75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Administration Building, Room 115, or telephone 454-2671.

## REGISTRATION PROCEDURES

The registration process is composed of the basic steps outlined below. After the outline, each step is explained in detail.

- (1) Consulting with academic adviser
- (2) Obtaining registration materials
- (3) Securing class cards and paying fees
- (4) Changing enrollment status
  - (a) Change-of-course procedures
  - (b) Withdrawal procedures
  - (c) Change of college, major, or adviser
  - (d) Change of name or address

### (1) CONSULTING WITH ACADEMIC ADVISER

To begin the registration process, all students must see their academic adviser to obtain the "Student Schedule" form and secure the adviser's approval of their course selections.

### Current Students

Current students should consult with their academic adviser during the term preceding their next semester registration and receive the proper "Student Schedule" form. It is the responsibility of the student to arrange to see his adviser at the earliest possible time. This should be done prior to the semester registration period. The University is open Monday through Friday, 8:00 a.m. to 4:30 p.m., except during holidays.

Undergraduate students enrolled in Saturday and evening courses only may consult either an academic adviser and/or secure their student schedule form in Room 165, Administration Building, between the hours of 1:00-9:00 p.m., Monday through Thursday, and 8:00 a.m. - 12:00 Noon, Saturday. However, during the registration period, hours will be the same as Packet Center hours.

### New Students (Undergraduate)

Freshmen and transfer students registering for the first time should attend a new student orientation session at which information concerning the registration and advising process will be given. (See Semester calendar for date and time.) All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit. Students assigned to the Academic Counseling Unit should go to the Unit immediately after admission to the University and request the assignment of an adviser. If possible, this should be done prior to the new student orientation session. The Academic Counseling Unit is located in Scates Hall. Advisers will be assigned during the orientation session to students who have not seen an adviser.

### New Students (Graduate)

New students in the Graduate School will be directed to an academic adviser following their admission to the Graduate School.

### New Students (Evening)

New evening students should secure required registration and adviser information in the Evening Academic Services Office, Administration Building, Room 165, telephone 454-2393.

### Readmitted Students

Students readmitted to the University who do not have an academic major will be assigned an adviser in the Academic Counseling Unit in Scates Hall. All other readmitted students should report to the department in which they plan to major and request an adviser.

### Unclassified, Special Undergraduate, and Audit Students

Undergraduate students who are unclassified, special undergraduate, or audit should go to the Academic Counseling Unit in Scates Hall. Evening students in these categories may go to the Evening Academic Services Office, Room 165, Administration Building for advising assistance.

## (2) OBTAINING REGISTRATION MATERIALS

The second major step in the registration process is obtaining registration materials. Registration materials consists of four basic elements: (1) a personal data form entitled "Student Information Form," (2) a card entitled "Registration Appointment Card," (3) a form entitled "Registration Receipt," and (4) a permanent ID card. Registration materials may be obtained as follows:

### Current Students

Registration materials will be mailed to the permanent address of all students currently enrolled, with the exception of those students having outstanding financial obligations at the time registration materials are prepared, those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office.

### New and Readmitted Students

New and readmitted students who have cleared all admission requirements at the time registration materials are prepared will receive their materials by mail. Students not clearing in time to receive their materials by mail will be given a chance to obtain materials before the actual day of registration and will receive instructions on how to accomplish this.

## (3) SECURING CLASS CARDS & PAYING FEES

Students having their "Student Schedule" form approved, their permanent ID card made, and their registration materials in hand are then prepared to enter the Registration Center to obtain class reservation cards and to pay fees. Important points to remember about this step in the registration process are:

Registration appointment times — Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." (See example.) Registration priority at Memphis State University is based on cumulative hours earned. See Statement of policy on registration priority.

Specific time for NIGHT registration  
Month and date of registration for NIGHT students ONLY

Specific time for DAY registration  
Month and date of registration for DAY students ONLY

DAY NIGHT  
APPOINTMENT TIMES

(1) DO NOT FOLD OR MUTILATE THIS CARD OR REMOVE FROM THE PACKET. IT MUST BE PROCESSED ALONG WITH YOUR CLASS CARDS.

(2) ENTER THE REGISTRATION CENTER ON THE DATE AND TIME SPECIFIED ABOVE TO OBTAIN CLASS CARDS AND PAY FEES.

**REGISTRATION APPOINTMENT CARD**

STUDENT: AFTER YOU HAVE OBTAINED CLASS CARDS, ENTER YOUR LOCAL ADDRESS AND CLASS SCHEDULE ON THE BACK OF THIS CARD.

NECC/MEM-1099

REG. NO.	STUDENT NAME	APPOINTMENT TIMES	LEVEL	PO

Students should enter the Registration Center at the appointment time indicated; however, the student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

Students registering during the day at the Late Registration Center must go to departments to obtain class cards. Cards are at the Center during evening late registration hours.

**Schedule conflict — Each student is responsible for preventing conflicts in the scheduling of his classes.** Students should check each class card which they are issued to insure that the course number, section, time and credit agree with what they requested. **Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card.** Students should be careful to check the schedule for course offerings that might have changed. Up-to-date information may be obtained during registration.

**The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly.**

### Special Courses

**Credit/No-Credit Courses —** Certain students, with permission from the dean of their college, may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate *Bulletin*.

Procedures for registering are as follows: (1) Obtain permit form from academic adviser, complete information on the form and secure adviser's signature, (2) go to department chairman's office in which course is taught and secure his approval, (3) obtain "Class Card Request" form from department chairman, (4) take completed permit form and "Class Card Request" form to the Registration Center at the appointed registration time.

**Audit Courses —** In order to register, the student must: (1) Obtain academic adviser's approval, (2) go to department in which course is taught and pick up "Class Card Request" form, (3) take "Class Card Request" form to the Registration Center at his appointed time.

A student auditing a course will receive "audit" on his/her transcript only if in the judgement of the instructor he/she has attended a sufficient number of classes to deserve the notation on the transcript. Faculty will base their decisions for awarding "audit" only on attendance as the student is not allowed by policy to participate in any other way.

**Payment of Fees —** Registration is not completed until fees are paid. Since there will be no deferment of fee payment, **students should not enter the Registration Center unless they are prepared to pay fees.** Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship and Authorized Billings" station in the Fee Payment Center.

### (4) CHANGING ENROLLMENT STATUS

Once the student has completed his initial enrollment, he may find it necessary to change his status.

#### Change of Course

After a student's registration is complete, he may, within specified time limits, change his class schedule through the process of adding and/or dropping courses. **APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISER.** Time limits for add/drop are outlined in the semester Calendar. A fee of \$3 will be assessed

for each course which is added or dropped. No change of course is processed until the fee has been paid. There is no charge for a change made as a result of the University cancelling a course.

Students who wish to discontinue attending and who are enrolled in one course only must withdraw, not drop the course.

### Withdrawal Procedures

Students may withdraw from the University by notifying the appropriate University official in person. ID's must be turned in to be invalidated.

- (1) Undergraduate Students — Notify the Center for Student Development, Room 120, Scates Hall
- (2) Evening/Saturday Students — Notify the Dean, Evening Academic Services, Room 165, Administration Building
- (3) Graduate Students — Notify the Dean of the Graduate School, Room 315, Administration Building

Time limits for withdrawals are stated in the Semester Calendar.

### Change of College or Major

Undergraduate students in the Colleges of Arts and Sciences, Business Administration, Communication and Fine Arts, Education, Engineering, and the University College may change their college or major by completing an application at the designated office of the college for the new major. These offices are as follows:

#### Arts & Sciences

Dean's Office — MI 219

#### Business Administration

College Adviser — BB 426

#### Communication & Fine Arts

Acting Dean's Office — AD 317

#### Education

College Adviser — ED 211

#### Engineering

College Adviser — EN 259

#### University College

Dean's Office — JN G-1

Graduate students may change their major by making application in the Office of the Dean, Administration Building, Room 315.

### Change of Adviser

Students may change adviser by making application to the college in which they are currently enrolled. After being assigned an adviser, the student should come immediately to the Records Office.

### Change of Name, Address, or Social Security Number

It is imperative that the student keep his/her name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration materials. However, in order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who change their address should leave a forwarding address with the post office so that all University mail will reach them at their new address.

**IMPORTANT:** All changes should be made early in the semester to insure their processing before the next semester.

### GRADE REPORTS

A grade report showing the grade received, credit hours earned, and quality points earned will be mailed to each student at the

end of the semester. Also shown on the grade report will be cumulative hours attempted, hours earned, and grade point average. The report will be mailed to the permanent address.

**THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.**

### WITHHOLDING OF GRADE REPORTS

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Packet center, January 5-11; in the last Registration Center, January 12-18; and in the Records Office after January 18.

### COURSE NUMBER SYSTEM

Courses are numbered according to the following system:

1000-1999	Courses primarily for freshmen
2000-2999	Courses primarily for sophomores
3000-3999	Courses primarily for juniors
4000-4999	Courses primarily for seniors
5000-5999	Courses offered in the Graduate School open to seniors within 36 semester hours of graduation
6000-9000	Courses open ONLY to those students fully admitted to the Graduate School

### ACADEMIC STATUS AND RETENTION

Official notification of academic status is by means of the grade report processed to each student at the end of the regular semester. A complete statement of the policy regarding academic status and retention may be found in the University *Bulletin*.

Specific questions concerning academic retention/suspension should be directed to the Evening Academic Services Office,

Room 165, Administration Building, between the hours of 1:00-9:00 p.m. Monday through Thursday, and 8:00 a.m.-12:00 Noon on Saturdays.

### REGISTRATION PRIORITY

Since all students cannot register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are generally based on the number of cumulative hours earned. This policy is based on the rationale that those students closest to the degree have the most critical need for choice of courses. No other criterion of assignment seems to be as equitable and as easily administered.

Registration materials must be prepared before the end of the term that immediately precedes registration. Therefore, the appointment times do not reflect hours earned during this term. For example, registration times for the spring semester are not affected by hours earned during the fall semester.

The majority of University students hold jobs either on or off campus. Registration priority and associated registration appointment times cannot be based on the need to work because such a large number of students do work. No practical or equitable way exists, therefore, to administer a priority system on the criterion of a student having to work.

Although the University is desirous of assisting transient students in obtaining the best possible program, a first obligation is recognized to native students continuing their program. Unclassified students will, therefore, be awarded registration appointments on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

### MESSAGE FOR VETERANS

Eligible veterans may take credit courses as full, three-quarter, or half-time students and receive monthly G.I. educational benefits. Contact the MSU Office of Veterans' Affairs, 454-2996, 108 Jones Hall, for further information.

(The examination for a class meeting at 9:30 MWF may be given at the time scheduled for either a 9:05 MWF class or a 10:10 MWF class.)

#### Fees for the Spring Semester are:

	Undergraduate Resident	Non-Resident
Per semester (full-time student)	\$224.00	\$692.00
Per semester hour (part-time student)	20.00	59.00
<b>Graduate and Law</b>		
Per semester (full-time student)	\$244.00	\$712.00
Per semester hour (part-time student)	23.00	62.00

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he registers. Fees are subject to change without notice. Persons over 60 years of age and totally disabled persons should read that section for fee information.

### Late Fees

Students who fail to register during the regular registration period may register beginning on the first day of classes. These students will be charged a \$5 late registration fee on the first day of classes and an additional \$1 each day thereafter. Special late registrations are held at some off-campus locations.

### Parking Fees

A decal is required for main campus parking. The decal costs \$4, which is payable at the time of registration. A student must have a validated ID card prior to purchasing a decal.

### Refund of Fees

If a degree credit student withdraws from the University within seven days from the beginning of classes, a refund will be made of 80% of his fees. Each week thereafter, the amount will be reduced by 20%. For information see the graduate or undergraduate *Bulletin*.

### ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

New students will be given information concerning ID cards in their information sessions. Current students who have lost their card may obtain a replacement from the Dean of Students' office, Room 208, Scates Hall, by paying the replacement fee of \$10.00. Students unable to obtain an ID card at off-campus or special registrations must go to the Records Office to have one made.

**NOTE:** ID card validation of full-time is for student activity purposes and does not necessarily constitute a full-time academic load.

For information concerning the number of hours required for full-time, consult the table for full-time classification in the Memphis State University *Bulletin*.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as a half-time load.

Science is often feared as a destroyer of art, myth, poetry,

and meaning. Instructors in this course propose to show that synthesis (words as art, myth, and meaning) is compatible with analysis (words as structures amenable to scientific description). Both science and art come from one human brain, and the process by which scientists discover order is remarkably similar to the process by which artists create ordered poems, paintings, and symphonies. ## **“I couldn’t believe that just walking could be such good exercise. But it’s true.”**

Will and Tish Grant have discovered that there is a way to get in shape and stay in shape that is simple and fun. More important—it works. They follow these rules:

1. Start gradually. When you begin, just walk briskly for 15 minutes or so each day. (That’s right, just walking will improve your circulation and muscle tone.)
2. After a week or two, increase your level of activity a little bit each day. Soon you’ll be up to a half an hour a day. Then, when you’re ready (your body will tell you when), jog, ride a bike, or swim. Follow one routine or a variety; do whatever you enjoy the most.
3. Set a specific time each day. Perhaps at lunch time or after work. Make exercise a part of your daily routine.
4. Get a friend to join you. Someone to talk to. Make it fun, not a chore.
5. Most important, stay with it.

**In the long run, you’ll be the winner.**

# Space Voyager.

The new Bose 901® Series III is a loudspeaker system for the space age.

It reproduces music with a level of realism unrivaled by conventional speakers. Its performance is a result of proven Bose design concepts combined with a whole series of technological innova-

tions, including the futuristic Acoustic Matrix™ enclosure pictured above, nine full-range drivers and an electronic active equalizer.

But most important, the 901 III is designed to explore the world of space in music that conventional earthbound speakers ignore.

Most speakers simply beam sound directly at the listener from a few woofers and tweeters mounted on the front surface of a wooden box. The 901 III, with its nine high-performance drivers mounted in the Acoustic Matrix enclosure, radiates sound forward, to the sides, off the back walls. The entire space is filled with sound—the sound experienced in a live concert hall.

Take your own voyage into space. Visit your nearest Bose dealer and listen to the 901 III and other Bose Direct/Reflecting® speakers. (See page 2 for a listing of Bose retailers in your area.)
